Adding Extensions on Google Chrome

Extensions are like "apps".
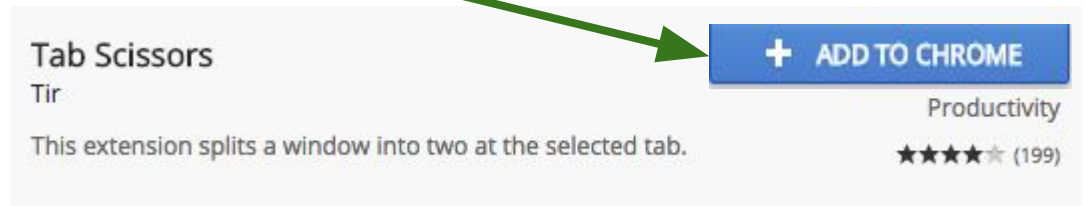

1. Go to the Chrome Web Store:
   https://chrome.google.com/webstore/category/extensions?hl=en

2. Type in "Tab Scissors" or "Tab Glue" or whatever extension you would like to add

3. *Click "Add to Chrome"*

Tab Scissors
Tir

This extension splits a window into two at the selected tab.

Productivity

4. Extensions will show up in "Extensions Bar" on top right of your Chrome browser.

***You may also add "themes" (personalize your browser) by using this process. Just click "themes" instead of "extensions".
